<p>To ensure all PP children attend school excursions and residential, regardless of cost. In doing so they will receive the same rich cultural and educational experiences as their peers.</p>	<p>Historically many PP families have struggled to fund trips and most notably the more costly residential in years 5 and 6.</p> <p>This has caused unnecessary stress for families wishing to provide their child with the same cultural experiences as his or her peers, and can cause the child to feel embarrassed or worried. To ensure all PP children are able to access all after school clubs.	Some after school clubs are paid for by parents. Using pupil premium funding to allow PP children to attend sports clubs last year ensured an increase in the number of PP children attending afterschool clubs.	<p>Communication to pp parents notifying that payment of clubs will be made.</p> <p>Office to arrange direct payment of pp children from school to Premier Sport.</p> <p>Clubs led by school staff will not be charged for and school will pay staff members for time.</p>	The majority of PP children will attend after school clubs.	<p>Premier Sport Clubs: £2340</p> <p>School staff led clubs: £1532</p> <p>Other external leaders: £1296</p>	

<p>To ensure all PP children have access to high quality, therapeutic arts-based activities, beyond that of the requirements of the national curriculum, in order to promote art as a vehicle for self-expression and a tool to aid mental wellbeing.</p>	<p>With increasing mental health issues in children nationally (1 in 6 currently), it is important that all children (inc PP) have the opportunity to develop strategies that promote positive mental wellbeing.</p>	<p>School to employ a specialist art teacher one day a week to teach in KS2.</p>	<p>All children will receive additional, high quality art teaching and be able to reflect on how such activities contribute to their wellbeing.</p>	<p>£1500 of PP money will be used to partially fund specialist teacher 1 day per week for the entire year.</p>
