| To ensure all PP children attend school excursions and residential, regardless of cost. In doing so they will receive the same rich cultural and educational experiences as their peers. | Historically many PP families have struggled to fund trips and most notably the more costly residential in years 5 and 6. This has caused unnecessary stress for families wishing to provide their child with the same cultural experiences as his or her peers, and can cause the child to feel embarrassed or worried. In some cases families have felt unwilling to ask for 'help' and the | All PP families will be funded for trips (including residential) as a matter of course.
