Dear Parents and Carers

As you know, the road between the school playground and the canteen is closely supervised for the children's safety, and children are only allowed to cross when there is a member of staff present.

As in previous years we are suggesting that Year 6 children be allowed to cross this road unsupervised, provided that they have shown they understand how to cross it safely and responsibly. It would give the children the opportunity to practice routine road safety on a relatively small and quiet road before encountering larger roads when they go to high school.

Please return the slip below to the school office by as soon as possible.

Kind regards

Duncan and Kelly
