8th February 2021

Dear Parents and Carers,

Due to the dangerous travelling conditions, as well as the fact that heavy snow is due throughout the course of the day, Bealings will be closed today.

Once the Local Authority has updated the school closures website you will see our name as one amongst many.

We will review the situation again early tomorrow morning to see if the conditions have changed, however continued snowfall is forecast for the next 48 hours.

Kind regards,

Kelly and Duncan
