We will ask them to carefully read the government’s guidance on self-administering tests, alongside the instructions in their test kit, to make sure they know how to safely do this. We won’t need to see evidence of a negative test result in order to allow staff to attend school. Any staff members receiving a positive lateral flow test result will be told:</p> <ul style="list-style-type: none"> • To remain at home, take a standard coronavirus (PCR) test and let us know the result (if a home testing kit is available in school, this can be given to them, if they have barriers to accessing testing elsewhere) • That they, and members of their household, should self-isolate in line with the latest government guidance • That they should report their lateral flow test result, either via the test reporting website or by calling 119 <p>As soon as we hear that a staff member has tested positive with a lateral flow test, we will follow the same cleaning measures (laid out above) as if that staff</p>

Spreading infection due to excessive contact and mixing between pupils and staff in lessons	This term the school will return to one bubble; this is due to the small size of the school and the current data showing a decreasing infection rate (nationally speaking), as well as twice weekly testing of staff and the majority of staff having now been vaccinated. This puts us in a much more secure place than September and allows us to cautiously make this move. However, pupils from	<ul style="list-style-type: none"> • Music, dance and drama – the end of year plays will be prepared for in line with the government's 'roadmap out of lockdown' expectations. Performances will not be held for an audience unless government guidelines state it is safe to do so. • Dance – the Year 5/6 dance project will go ahead with social distancing between children and teaching staff. These will take place outside wherever possible. If taking place inside, larger, well-ventilated rooms will be used and the number of people will be limited to allow for social distancing.</p> <p>Singing will take place outside where possible with pupils seated side-by-side.</p> <p>We will not host performances with an audience until the government have announced it is legal to do so.</p> <p>For physical activity, we will follow the same guidance for cleaning equipment and grouping pupils as in all areas of the school. Outdoor sports will be prioritised</p>	<p>All other safety precautions like regular handwashing will take place.</p> <ul style="list-style-type: none"> • Team sports – sports clubs will reopen for the summer term and FOSS and pyramid competitions may be held. 			<p>continue as this is an essential part of the way we learn through Mantle of the Expert work.</p> <p>Parents have been made aware of this and given the opportunity to raise concerns, however there have been no negative responses.</p>

Due to lack of space, indoor sports will not be permitted.</p> <p>For team sports, we will follow the government guidance on team sport.</p> <p>Staff can work across different groups in order to deliver the school timetable, but they will keep their distance from pupils and other staff as much as they can (ideally 2 metres apart). This won't always be possible, particularly when working with younger children, but close face-to-face contact will be avoided, and time spent within 1 metre will be minimised.</p> <p>Any pupils with complex needs or who need close contact care will have the same support as normal as distancing isn't possible here. Staff will be rigorous about hand washing and respiratory hygiene.</p> <p>Supply teachers, peripatetic teachers and other temporary staff and volunteers will be told to minimise contact and maintain as much distance as possible from other staff. These staff will also participate in the school's rapid testing programme, as outlined for other staff/pupils above.</p> <p>Specialists, therapists, clinicians and other support staff for pupils with SEND should provide interventions as usual.</p>

They'll be given clear instructions about how to put on, remove and store/dispose of face coverings safely.</p> <p>Visitors will be asked to wear face masks at all times when on the school site.</p> <p>Pupils who routinely attend other settings on a part-time basis, such as an alternative provision setting, should be able to continue attending both settings.
